Students should be present at least 15 minutes before the commencement of the paper.

You should leave your bags in the enclosed entry foyer.

All time-slots include reading time of 5 minutes unless otherwise directed.

Reading time is for reading, and no writing or highlighting may be undertaken during that time.

You are expected to provide basic equipment for all examinations. Any equipment brought into the examination room is subject to inspection.

It is your responsibility to ensure equipment is in good working order (this includes calculators). Equipment failure is not a ground for appeal.

Watches must be removed and placed in clear view on the examination table.

Mobile phones are not permitted in the examination room.

Know what you have to do for each examination - **talk to a teacher now.**

If you are leaving the school grounds between examinations, **you must have a signed permission note from home.** Office staff will not be contacting home for verbal permission and you will be expected to stay at school to be supervised.

Students receiving special provisions will complete their examinations in Rooms 12 and 13.
