Principals Report

Welcome back to all students and staff for Term 3, 2017. This term is an exciting, busy and at times stressful one for our Stage 6 students who will sit their trial examinations in Week 6 and their final HSC examinations after the upcoming break. I wish them all the best in their preparation and implore them to work hard to achieve their goals. For Year 12, this term will mark the end of their secondary schooling with our Presentation Assembly and Year 12 Formal on the 21st September. Although I know they will be extremely busy preparing for the final chapter in their high school life, I also hope they get the opportunity to reflect on the past 6 years at Narrandera High School and enjoy this important time with their peers and the teaching staff who have cared for them since they came in Year 7.

Our Stage 6 Information Night was held last Wednesday. It was a great opportunity for our Year 10 and 11 students to discuss 2018 subject options with our teaching staff. I would like to remind all Year 10 and 11 students that their subject selection forms are due back to Mr Chappell by this Friday to ensure that their choices are taken into account when the lines are produced. With the remaining time between now and Friday, students should be discussing their options with staff and their families to ensure they pick the right options to suit them.

I wish all students a pleasant start to the term and I hope to see many merit awards being handed in for this term's PBS excursion in August!

Please note that as from this week the School newsletter will go out in Weeks 5 and 10 of each Term. Information can be found on our School website or Facebook page.

Next week we will commence the next stage of our focus on Restorative Practice with students engaging in individual learning conversations with their Year Advisor. The information from these conversations will form the basis of an individual Personalised Learning Plan for each student. Students in Years 7, 9, 10 and 12 will be the first to engage in these conversations. The focus of these interactions will be developing a positive relationship with their Year Advisor, as well as setting goals based around learning.

CONGRATULATIONS

**JAMES SMITH, MAISYN PATERSON-MYERS and
BRANDON HALL**

who travelled to STATE CROSS COUNTRY at EASTERN CREEK SYDNEY on Friday. This Competition is between all Schools within New South Wales so this is a huge achievement for these boys to reach this level. James came 82nd, Maisyn 83rd and Brandon 54th in their respective age groups. Well done boys.

Year 8 English Novel Study

Year 8 English have been reading the novel *Walking the Boundaries*. In groups the students brought different scenes of the novel to life.

STAGE 6 PDHPE

The Stage 6 PDHPE have been busy putting some of their theory into practice over the past few weeks. The class learnt to juggle, with mixed success, as one of their assessment tasks, and then some brave volunteers went into an "Ice Bath" last week to see the practical side of injury treatment and rehabilitation.
