

It's hard to believe that we are in the last week of term 3! We have had an excellent term at Narrandera High, with students participating and achieving in a variety of academic, cultural and sporting pursuits.

We have had a busy fortnight with Year 10 and Year 9 having successful Year Days. Sincere thanks to Year Advisors, Nadine Goring, Peter Davies and Dave Kroek for their commitment and organisation of these important days. I would like to extend particular thanks to the 4th Form, 1968 Class who donated \$500 towards the cost of the Year 10 Year Day. I recently met with Reunion Organisers Vanessa (Polly) Rombola and Gail Reilly who kindly donated this money in support of the wellbeing and mental health focus of this event.

This Thursday, 27 September we will farewell our Year 12 students with our Final Assembly followed by the Year 12 Formal in the evening. I am very proud of all of our Year 12 students. They are a fantastic group of young people who are friendly and inclusive with a keen interest in social justice and helping others. The students have raised almost \$3,000 for Headspace – their chosen charity, as well as close to \$1,000 to support farmers in need as part of their buy a bale fundraising effort. I would also like to thank the parents and carers of all of our Year 12 students not only for the encouragement you have all given your children through their HSC journey, but the support you have given our school during this time. Special thanks are also extended to our fantastic staff who have all worked extremely hard to support all of our Year 12 students.

Our Naplan results arrived at our school last week. Individual results for parents and carers will be distributed to students this week through the Year 7 and Year 9 Year Advisors. At our extended staff meeting last Thursday, staff commenced analysis of this data with the view of looking at individual and group trends to program and plan for future improvement. Our Naplan results have continued to improve over the last few years and the 2018 results were our best ever for Year 7 and Year 9 writing. This is particularly pleasing considering our focus on extended writing through ALARM and the IDEA paragraph scaffold. We will continue to focus on developing core skills in all NAPLAN domains, with a particular focus on spelling moving forward.

It has been my absolute pleasure and privilege to lead our school as Principal this term. We will welcome Mr Bryant back next term which will see me move back into my role of Deputy Principal. I would like to thank Mrs Helen Langley for the excellent leadership she has displayed as Relieving Deputy Principal this term. Mr Dave Kroek and Mr Peter Davies have also demonstrated exceptional skill in their roles of Relieving Head Teacher – Mathematics and Relieving Year 9 Advisor. I wish all of our school community a safe and happy school holiday break and I look forward to working with you all again in Term 4. Students and staff will both return to school on Monday 15 October, there is no pupil free day.

Kind Regards,
Mrs Marni Milne – Relieving Principal

Calendar

TERM 3

Week 10

- *Tuesday 25th September - Year 9 Year Day - Griffith*
- *Thursday 27th September - Year 12 Final Assembly - 11:50am*
- *Thursday 27th September - Year 12 Formal evening*
- *Saturday 29th September - Rockin On East Parade - 12pm*

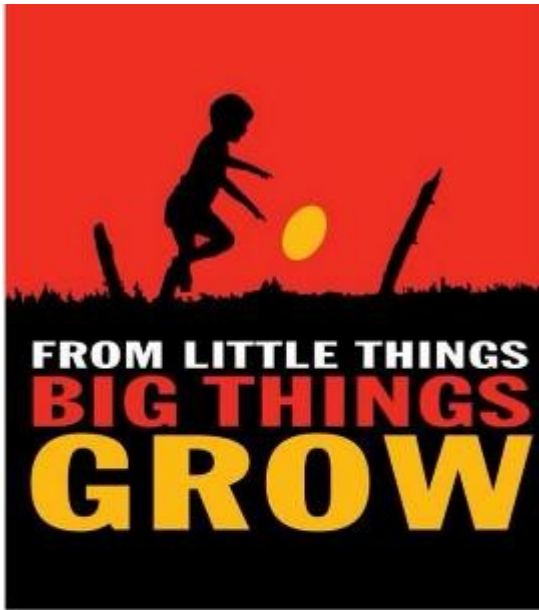

TERM 4

Week 1

- *Monday 15th October - Students and Staff both return to school*
- *Wednesday 17th October - Narrungdera Yalbilinya (Narrandera Learning) Aboriginal Student Awards - Narrandera Ex-Servicemens Club - 1:15pm*

Week 3

- *Monday 29th October - Friday 2nd November - Year 7-10 Exam Period*

Some of our Year 10 boys spent time with the students from the Clontarf Academies located at Griffith, Mt Austin, Wade and Mt DrUITT today. These students were visiting Narrandera as part of the Clontarf camping trip. We are looking forward to Narrandera High joining the Clontarf family very soon!!

The Clontarf Foundation focuses on improving the educational and employment outcomes of Aboriginal and Torres Strait Islander young men, with a focus on discipline, life skills and self-esteem.

foundation

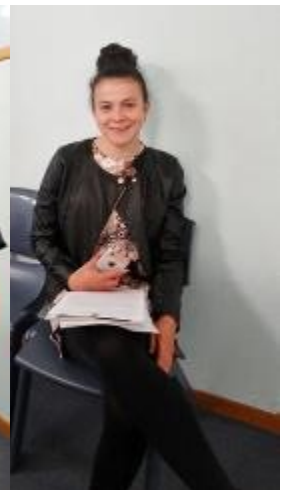

Year 10 Rotary Interviews were held again on Thursday 13th September. Student's role played job interviews as the applicants with our local community members as the employers. Students had to prepare their portfolios and present themselves as they would for a real job interview.

Dinner was catered for by our school canteen manger and served by our Year 9 Food Technology students.

A huge thank you goes to our supportive community members with this program, a student commented that he was very nervous at the start of his interview but from the experience of the people inter-

viewing him they made him more comfortable and he now has a better understanding of what to expect in a job interview.

The Year 10 Wellbeing Day was held at Narrandera Ex-Servicemens Club and Marie Bashir Park on Friday 14th September. The students were fortunate to hear the amazing story of Manly Sea Eagles player Joel Thompson who overcame many obstacles in his life to forge a successful football career. He spends his spare time traveling and presenting his workshop 'The Mindset Project'. Joel's key message to students was to practise gratitude everyday to help overcome adversity. Students also participated in some fun and whacky games, touch football, and yoga. Thank you Joel, Jason Heckendorf and Narrandera Ex-Servicemens Club for being part of our day, we are truly grateful.

Science Report

Year 8 have recently finished a unit on Body Systems and are working on a unit on Growth and Reproduction. They have completed practicals to relate the diameter of hollow bones to their strength and have also made hands that model the way human hands work.

Year 9 have recently finished a unit on Electrical energy and have started a unit of Coordination.

Year 8 Tech Mandatory students have been researching, designing, building, testing and evaluating bridge designs. They constructed their own bridges using only cardboard, straws and sticky tape then placed increasing weights on the bridges to see what weight it could hold. Winners of the Engineering Competition were Jarrod Craze, Lachlan Kerr and Reid Hitchens whose bridge held a very impressive (and new record) 4kg. Well done boys.

ART Excursion - National Portrait Gallery

JUNIOR BASKETBALL COMPETITION

It is great to have so many children playing in this seasons competition. I have over 200 players to sort into teams so please bear with me while I do this task.

New teams list should now be on facebook page. Those who do not have facebook please message me on 0409 443 711 and I will send teams by text message.

Please remember your child's team name so that you can follow the draw posted each week.

I am in need of coaches for all teams if you have a child playing and wish to help out please let me know

If you are a senior player and wish to coach a team that would be great. Looking forward to a great season.

medicare

child support

The Australian Government Mobile Service Centre is supporting rural communities by providing convenient access to Australian Government payments and services. This specialised vehicle offers a wide range of face to face and self service assistance for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

Information about Department of Veterans' Affairs programs and support services for veterans and their families will also be available.

You can visit the Mobile Service Centre at:

Near Coles Supermarket, Bolton Street

NARRANDERA

Monday, 22 October 2018

10 am to 4 pm

Experienced staff travel with the Mobile Service Centre and provide friendly, face-to-face service, information and support. Staff can also help you create a myGov account. myGov is a simple and secure way to access government services online.

For more information, go to humanservices.gov.au and search for Mobile Service Centre or call **132 316**.
