

Narrandera High School

Issue 4 Week 8 Term 1

Tuesday 16th March 2020

Dear NHS Families,

It has been great to welcome parents back to Narrandera High School as a result of COVID restrictions easing last week. We are hoping to be able to have COVID safe events resume at our school as the year progresses. Your continued understanding around the NSW Department of Education COVID guidelines is very much appreciated.

Year 12 Fundraising

Year 12 have already been busy this year raising funds for their chosen charities, Narrandera Hospital Auxiliary and Narrandera CanAssist. Last week they held a bake sale, BBQ and casual clothes day. We are very proud of the longstanding tradition we have at Narrandera High of Year 12 focusing their fundraising efforts directly towards the Narrandera local community. Your ongoing support of this Year 12 initiative is greatly appreciated.

Tell Them From Me Student Survey

Our school, like all NSW Public Schools, is taking part in the 'Tell Them From Me' student survey over the next two weeks. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are at school and the different ways that teachers interact with them. The survey is completed online and is run by an independent research company, The Learning Bar, which specialises in school-based surveys. Staff in schools will not be able to identify individual students from their responses. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools relatively quickly. Individual student responses will not be identified in any publication and all information will be handled in accordance with the relevant privacy legislation. This research will help schools in New South Wales to better understand how to improve student wellbeing and engagement. It will also help teachers and principals discuss what works to improve student outcomes. If you do not wish your child to participate, please contact the school.

Attendance Rewards – Every Day Counts

It was fantastic to see over 200 students qualify for the Lake Talbot attendance rewards afternoon last Friday, March 12. As the year progresses, we will continue to introduce initiatives to encourage and reward positive student attendance patterns. Every student is expected to be at school every day, except in cases of illness or other urgent leave. The correlation between student attendance and student achievement is very clear. If you require assistance and support getting your son or daughter to school, please don't hesitate to contact the school.

Year 7 2022 Enrolments

Thank you to those families that have already returned Expressions of Interest forms for enrolment in Year 7 at Narrandera High School in 2022. Students already enrolled at a NSW Public School are able to return these forms to their local Primary School. Families from St Joseph's are requested to return these forms directly to our school office. Visits to Primary Schools will commence over the next few weeks. The Year 7 Advisor for 2022 is Byron Horrell. **Expression of Interest forms are due by the end of this term – Thursday April 1.**

Year 10 Year Advisor

Due to staff movements, Latoya Burgess has joined our Welfare Team as the Year 10 Advisor. Latoya should be the first point of call for Year 10 students, parents and carers and is already doing a fantastic job getting to know her year group.

P&C Annual General Meeting

Last Tuesday our P&C AGM was held. We are very fortunate to have a supportive and active P&C at Narrandera High School. The 2021 P&C Committee members are as follows:

President: Peter Gunn

Vice-Presidents: Brooke Absolom and Tamra Beaumont

Secretary: Maree Rainbird

Treasurer: Vicki Hall

All parents and carers are welcome to attend our monthly P&C meetings that are held on the second Tuesday of every month at 7.30pm during school terms.

Kind Regards,

Marni Milne

Principal

SCHOOL FEES

Statements were recently sent out to families for 2021 school fees.

Payment of school fees helps provide classroom resources for students and also materials for practical subjects i.e. Cooking, Woodwork.

Did you know that you can make payments on-line?

The online payment portal linked to the school's website makes it easier for you to pay for school related payments. This secure payment page is hosted by Westpac.

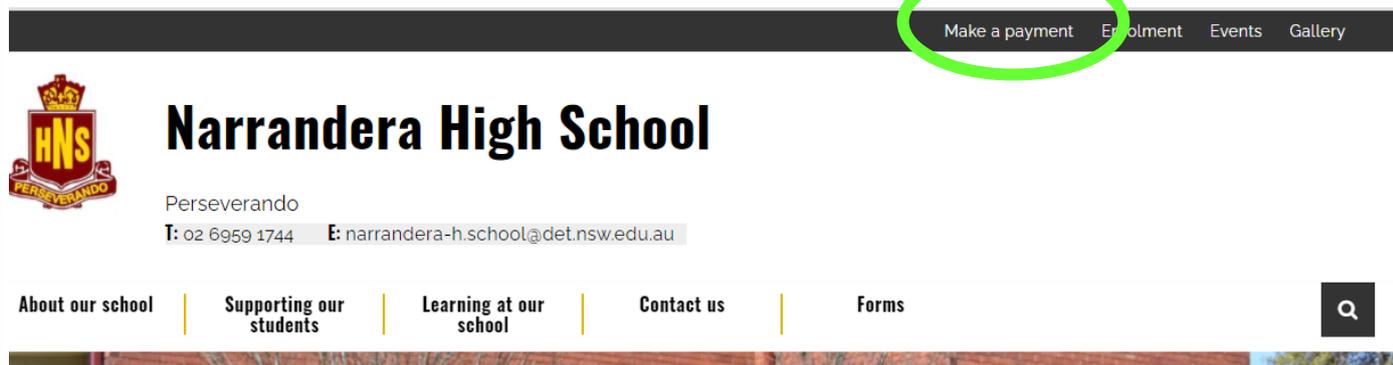

What expenses can be paid online?

- Voluntary School Contributions
- Subject Contributions
- Excursions
- Sport
- Creative and Practical Arts
- Sales to Students

How?

BASKETBALL

Year 10 student Jasmin Gilmour has been selected as part of the Riverina side to compete at the State carnival. Players will travel to Maitland later in the year.

Jasmin was successful after participating in the Riverina Open Girls Basketball trails in Wagga Wagga last week.

Fantastic effort! Well done!

SCHOOL ATTENDANCE

The expectation is that students attend school every day. Schools, parents and carers work together to address the needs of students to get them attending school on a regular basis. Any absence needs to be explained.

If your child's attendance drops below 90%, a member of staff will telephone and alert you to this drop in attendance.

Regular attendance helps students to:

- * develop a sense of belonging
- * develop and maintain friendships
- * be more engaged at school
- * progress with their learning
- * be more aware of career and life options.

When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

OPEN BOYS BASKETBALL

On Friday 5th March, the Narrandera High School Open Boys Basketball team competed in a Gala Day at the Leeton Indoor Stadium.

The first game was a close contest with Murrumbidgee Regional High School. After a slow start and being behind for over half the game, the boys managed to regroup and ran out winners 42 to 38.

Another slow start in the second game gave Leeton a first quarter lead, but Narrandera's strength and dominance under the ring saw them win convincingly 49 to 24.

The next two games were dominated by Narrandera where they defeated Hillston 57 to 30 and Yanco 93 to 29.

Congratulations to Narrandera who were undefeated on the day and now progress through to the next round versus Deniliquin.

RYDA is the leading and only national road safety education program for youth in Australia and New Zealand, providing young people with the skills and strategies they need to stay safe on the roads. The RYDA workshop features highly engaging practical demonstrations, real-life narratives, videos, quizzes and interactive

role play. The RYDA approach supports youth development in a number of areas including social resilience and anticipating and managing risk.

On Friday 26th February, Year 11 students attended the RYDA workshop in Yanco. It gave our students a unique opportunity to set road safety goals and build strategies alongside the friends they will most likely be riding with, as drivers or passengers. At the workshop, students attended six interactive sessions over the course of a school day. All students saw benefit in the workshops as did Mrs Jess and Mr Ireland who accompanied the students on the day.

Narrandera's Clontarf Academy this week took a small group of top attendees to, in the words of Tumut local's, "God's Country". They do have a point! Tumut at this time of year, in Autumn is beautiful country. We headed off on Monday for a 3 day trip. Some of the activities on day one were a trip to the Yarrangobilly caves thermal pool where the boys enjoyed the scenery but also enjoyed the natural warm springs pool.

Day two we were up early and headed to a morning training with The Tumut Clontarf Academy. The Tumut Academy ran the boys through their paces then finished off with a game of touch and breakfast afterwards. There are some stars among the academy members! After breakfast and showers the Narrandera Academy caught up with Uncle Shane Herrington from National Parks for a morning of learning Culture on how to make stone axes, how to throw a boomerang and catch it and how to make rope, but the highlight of the morning was how to make a traditional fire. Tuesday afternoon saw the academy members head back to Yarrangobilly Caves where they had a tour. The end of the day saw them dining out for tea.

Day three saw the Academy members head home but stopping at Adelong falls for a visit to the Gold Mill Ruins. The Academy members will remember this one that's for sure!

STUDENT CONCESSION CARDS

What is the Transport Concession Entitlement Card?

The transport concession Entitlement card is used to prove customers' entitlement to concession fares in NSW. The use of the card is being expanded to include Senior Secondary students (16 years and over).

Schools are able to order cards through their existing School Portal login.

Our school will order these cards in bulk, cards will arrive at the school and will be kept in student files until/if they are required. There is no cost for these cards.

Concession travel is available on all NSW public transport. You must carry this card at all times if travelling on public transport.

NB: This card is not applicable if travelling on private buses.
